At Mamás Unidas LR, we believe that real change happens when we roll up our sleeves, put our feet on the ground, and actively participate in bettering our community. **In 2024, we are foregoing a formal gala in favor of a day of unity, where individuals, businesses, and organizations come together to make a lasting impact in our community. We extend to you the opportunity to become a sponsor of this remarkable initiative.**

Our mission remains consistent: empowering the youth in our community to overcome cultural, economic, and socioeconomic barriers by providing access to higher education. Mamás Unidas LR has been dedicated to this mission, offering valuable community workshops, college readiness sessions, personalized advising, and access to essential resources.

The Impactful Hands, Hopeful Hearts Day of Service event not only strengthens our connection with those we serve but also fosters a sense of shared purpose and compassion within our community. By being a sponsor, your business directly contributes to our community's well-being and raise crucial funds to support Mamás Unidas LR's annual programming. We have big plans for 2024-2025, your sponsorship will enable us to allocate the gala funds in the following manner:

- Mijo Program
- Scholarships
- Community Workshops
- Student Workshops
- One-on-one advising meetings

Your support is the cornerstone of making this event a success and advancing our mission. May we count on your business to join in the sponsorship of the 2024 Impactful Hands, Hopeful Hearts Day of Service? Our sponsorship package is included for your review.

Thank you kindly for your consideration!

Best,

Sandra Carmona Jobe
